Flick Collection

Flick

The lines of the Flick chair are appealingly modern and simple. The steel rod sled base supports a molded plywood shell. The base finish may be specified in black, white, chrome, or selected from any of TMC's powder coat colors. The Flick stacks ten high and is ideal for use in cafeterias, schools, universities, libraries and offices. An upholstered seat pad is available on all Flick Chairs, including the bar and counter stools.

Corporate Branding @ JetBlue

JetBlue wanted something special for their corporate cafeteria. They supplied us with the design of an airplane to promote their brand. Combining the custom airplane graphic with our standard Flick Chairs conveys an overall look that is fresh and tastefully personalizes the JetBlue brand.

Flick Task Chair

Pure simplicity, the Flick Task Chair is available with an upholstered seat pad and many design patterns for its back. The 5-star base comes in black or polished aluminum.

ImPrinted Flick

ImPrinted chairs combine the beauty of wood with surface design that creates a dynamic interplay of line, color and form. Graphics are printed on the raw wood and then top coated. Saturated color and beautiful wood grain offer up a fresh and eye-catching approach to seating.

Available in standard TMC images or custom. The power of visual branding makes this a perfect application for corporate or hospitality interiors. Imprinted chairs provide an opportunity to express your individual unique brand in a captivating way. Wrap the graphic on the curved, wood shell in rich coloration, whether it be an illustration or photograph. Standard image bank is shown below, custom images are also welcomed.
