

Plover-Child

The Plover Child Chair's curved, wide shell back and deep leg stance give it a low center of gravity, making it stable for even the most active children. Stacking 3 high, our Plover is available with an upholstered seat pad.

Finish and cut-out can change the look dramatically, making our Plover Chair a versatile specification for any interior.

Plover Child Perimeters

The charming Plover Perimeters are available with Dragonfly, Fish, Butterfly and other perimeter shapes. The perimeter shapes pictured may also be applied to other products, such as book bins or case goods. Custom perimeter designs may also be specified.

ImPrinted Plover-Child

ImPrinted chairs combine the beauty of wood with surface design that creates a dynamic interplay of line, color and form. Graphics are printed on the raw wood and then top coated. Saturated color and beautiful wood grain offer up a fresh and playful approach to seating. Standard TMC images are shown below, however custom images are also an option.
