Wheatland Flick Child Carrel

# Wheatland Flick Child Carrel

The Wheatland Collection is characterized by half-panel carrels that use one of our standard leg styles: Algonquin, Eisenhower, Finn, Flick, Kestrel, Lorca and Plover. The profile is light, yet the support is strong. Panels may feature cut-outs from our Design Portfolio or custom designs. Edge

The Wheatland Flick features three steel rods in each leg that create visual interest and structure. Design options include numerous finish colors and cut-outs. Edge styles include: laminate, vinyl t-mold, maple and plywood edgebanding and solid wood edge. The line includes Arc and Linear profiles in single, double and quad units that can be linked to form larger configurations. Power/Data and computer access components are available. Pairs nicely with our Flick and Mady Chairs and Flick Tables. Pictured at right is the Flick Linear Carrel.

The Wheatland Flick Carrels are 25" high. See our Price List for size offerings.

Pictured here are the single-faced carrels and Flick Child Chair.

# Flick Child Tables

The Flick Child Table is sleek and modern. The three steel rods in each leg create visual interest and structure. A wide variety of powder coat finishes are available. Top surfaces are offered in laminate or maple veneer. Edge styles include: laminate, vinyl t-mold, maple and plywood edgebanding and solid wood edge. See our Price List for full shape and size offerings. The Flick Child Tables are 25" high.

# Flick-Child

Cafeterias, schools, libraries, day care centers, and workrooms are just some of the areas where the Flick Child Collection makes a practical and playful furnishing option.

Two chair back shapes, square and arc, that stack up to 10 high provide a versatile seating group. An impressive range of styling options: cut outs, wood finishes, powder coat colors and chrome [chairs only]. Optional upholstered seat pad and matching tables available. Perimeter options add a playful and fun touch.
